

27 January 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 27 January 1965

25X1

During the current intelligence briefing the DCI was given

Houston reported on Senator Cannon's visit to [redacted] and on Representative Price's appearance at the Mid-Career Course. 25X1

Cline described a contingency planning task force under Jeff [redacted] in which the Agency will participate. He also noted that McGeorge Bundy considered the projection of the [redacted] nuclear force 25X1 through 1980 as an interesting paper.

Mr. Kirkpatrick noted that Ambassador Kidder would be here for lunch on 4 February. He also noted that a copy of the Patman Committee report on foundations included three editorials criticizing CIA.

DDCI asked if the [redacted] briefing could be ready for USIB today. He also requested a 2:30 session to get ready for the NRO ExCom at 4 p.m.

DCI directed the staff to reduce press contacts to an absolute minimum and noted the names of controversial figures who should be avoided altogether. He stated that leaks were likely to be punished severely and asked that very full memoranda for the record be kept.

[Handwritten signatures and initials]

DCI asked DDCI and the Executive Director to investigate the handling of traffic on 26 January which described the situation in Saigon and would have been relevant for the DCI's use in briefing Senator Fulbright.

DCI noted that he had left an Agency cable about the [redacted] with 25X1 the Secretary of State. DDP will follow up.

DCI requested a memo on troop movements in [redacted] possibly 25X1 as a subject for an annex in the Daily Intelligence Review.

DCI requested a study of Lop Nor with particular emphasis on timing. He plans to advise Secretary Rusk - who is considering an announcement about a Chinese test.

DCI agreed to meet with Representative Mahon and his Committee on 8 February and, if necessary, 9 February.

DCI asked that the matter of the Patman Committee report be looked into.
